Trailfinder® Green LED Cap Light

CAPG2BODE

GREEN LED

- Can enhance depth perception and detail vision
- Easily visible

VERSATILE

- Pivots to put light where you need it
- Clips easily to hat brim

EASY TO USE

- Convenient , side located pushbutton switch
- Recessed switch to prevent accidental actuation

CAPP2BODE has the advantages of the Trail Finder Series hat-mounted lights – easy to use, light weight, pivoting, water resistant– with a plus. Green light is the easiest color for the human eye to see, making the green LEDs ideal for situations where you need to be seen in the dark. It also can make details, like cracks in pipes or defects on a surface easier to see, making it especially suitable for inspection work.

Before Using Your Flashlight:
Please read all instructions and cautionary markings on the package and light
